Mysterious teacher of ninjas, grand master of Card-Jitsu, and slurper of much green tea. Arise, little grasshoppers, for Sensei!

Though the wise Sensei has lived for many winters (and summers too), his past is shrouded in mystery.

It is written that the white-bearded wanderer built the Dojo long ago, before vanishing into the wilderness to learn the ancient art of Card-Jitsu.

When lightning struck the Dojo in 2008, he appeared out of nowhere, showing himself to penguins for the first time.

Autograph

Sensei

Speak like SENSEI!

Sensei

Sensei sometimes speaks in Haiku - a simple Japanese poem form. Here is one:

*The simplest penguin
Knows that all journeys begin
With a single step*

It's easy to write your own Haiku and sound wise like Sensei. It should always be 3 lines: the first line must have 5 syllables, the second must have 7 syllables, and the third must have 5 again. Read the Haiku above and count the syllables, then try to finish the two Haikus opposite:

Many snowflakes fall
Many great pizza toppings

Long is the journey
Many hazards on the path

You have trained well, grasshoppers!

SECRETS THE AMUSET
Ninjas can pay the Amulet in the Ninja Hiden...
You will need it to gain entry to the Water...
Fire Dojo. To earn the Fire and Water Gems, you...
must challenge Sensei and win! It will reduce...
your bad... gainst his secret

[CLASSIFIED]

How can I meet Sensei?

Sensei is focusing all his energy on a landmark ninja event coming soon to Club Penguin. Until then, he will be like a shadow.

THE PATH OF A HERO

At first, Sensei taught penguins how to master Card-Jitsu, earn their black belts and become ninjas.

Then three new paths arose. Fire, water, snow. The ancient elements manifested themselves.

Sensei guided his students to first master fire, then water. The third element - snow - is all that remains to complete the amulet. What then for ninjas? Time will surely tell.

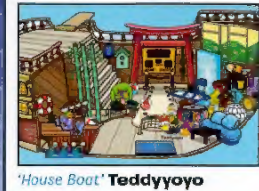

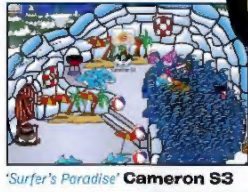

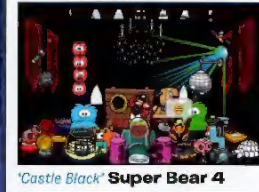

COOL CRIBS!

Who lives in homes like these? A bunch of amazing, awesome, creative penguins, that's who! Keep sending in your igloos for a chance to be in the mag.

Even more crazy igloos!

IGLOO RESTAURANTS!

Would you like fries with that?
Supersize your fun at an igloo restaurant!

1000 COINS For every igloo featured!

Send us a screenshot of your iggy and if we feature it here, you win 1000 coins! Address details on page 3.

PARTY ISLAND GUIDE!

Club Penguin is like a party that never stops!

Check out some of the different ways you can have fun with your friends across the island.

Dance Party

Join with others to earn your Dance Party and Floor Filler stamps at the Night Club. All penguins turn one colour, stand in different formations, shout chants and dance!

Pirate Party

When Rockhopper's ship is docked at the beach, don your best pirate gear, talk like a pirate and use the mop item to swab the decks! Or take a group to explore the island looking for treasure, using shovels and drills to dig!

Pizza Party

At the Pizza Parlour, customers shout out orders while the chefs toss pizza dough (with the chef hat and pizza apron items). The party ends with a crazy food fight, where snowballs become pizza slices. Afterwards, penguins should help clean up!

Tipping Party

Lots of penguins believe it might be possible to tip the Iceberg! So why not gather as many penguins as you can to a "Dance, Drill, Don't Sit Still" PARTY? Even if you don't tip it, you might get your Berg Drill stamp!

Beach Party

When it's HOT outside, penguins gather at the Cove to sunbathe, swim, dive and dance around the campfire. It's great fun day and night!

Green Earth Party

Gather in The Forest or The Mine and raise awareness about the Earth by turning green or dressing as a tree. Chanting and dancing will encourage more penguins to join in the fun. 'BE SEEN, GO GREEN!' or, 'BE GREEN, BE CLEAN!'

There's a party over there!

PUZZLE 3

How many robots can you count?

PUZZLE 4

There's only one way to scare off the robots - super fireball power-up!

Tick 2 things the black puffle should eat to become the super fireball.

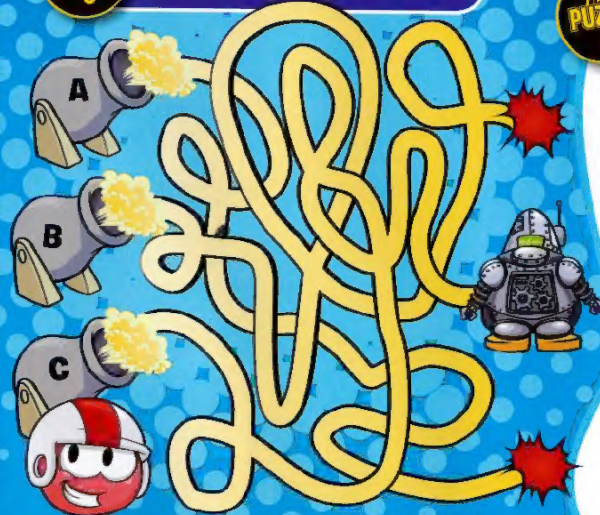

PUZZLE 5

You did it, and not a moment too soon! More robots have turned up. Scare them off by flying through the maze and scribbling them all out as you go.
